

## Volunteer with the Biden Campaign

In the final stretch, we want you and your community to volunteer with us! We have a wide variety of opportunities for volunteers depending on availability, experience and location. We have in person and virtual roles to ensure that everyone has an opportunity to help elect Joe Biden and Kamala Harris.

There are many ways to engage and support the campaign based on what works best for you and your community. We can also connect directly with any organization to coordinate larger partnerships.

### 1. In Person Opportunities:

- a. Canvassing: We have opportunities for volunteers to knock doors in battleground states. Across the campaign, we have enacted measures to prioritize the health and safety of all of our volunteers, staff, and voters. Canvassing is done in a socially distanced manner and PPE. Volunteers will need their own transportation and will have to attend a **mandatory** virtual training before canvassing. Find the list of canvassing opportunities [HERE](#).
- b. Support In Person Activities: To support our in-person activities, we will have coordinated campaign supply hubs which will store required items for in-person activities, such as literature, yard signs, and more to support canvassing, visibility and line management. These supply hubs will be run in accordance with our health and safety guidelines. We will need late help volunteers to staff and launch canvasses during GOTV. [Sign Up Here](#).
- c. Other Late Help Roles (Full Time Commitment): Volunteers will be assigned to a state to be part of their voter contact or other GOTV needs. These volunteers may take on special projects or organizing roles. Example Roles: Special Projects, Organizers, Advance Leads, Line Management Lead, Training Leads. [Sign Up Here](#).
